EXHIBIT 2 POSTINGS

#2 UPDATE EX-employee responds

Ex-employee want Ellis to realize he is not untouchable

AUTHOR: not4show - (USA)

SUBMITTED: Thursday, April 09, 2015

I wrote the ex-employee report about David and AATC. David believes he is untouchable, he threatens, harrasses and does whatever he can to make his employees do whatever he says regardless of ethics. He has no respect for employees, the company or Gunner for that matter. If Gunner would have never given David the money to pay off the IRS when he got audited and was going to loose the house he and Margie lived in, David went crying to Gunner and got \$25,000 approx. He is a pathetic excuse for a man, telling me he was only with Margie until her medical settlement came through.

#3 UPDATE EX-employee responds

sexual harrasment

AUTHOR: not4show - ()

SUBMITTED: Monday, October 21, 2013

There is so much more to add to this. He is a liar, a cheat he will do anything to anyone to get ahead. He wanted Margie back only because of her lawsuit winnings. He has had multiple sexual harrasment s filed against him at work, but he knows how to turn it around away from him. Helps to be the puppet master of the President of American Aerospace. Gunner the owner is never around, as long as his company's show profit he could care less. If you don't do as David says you are as good as gone. That's what happened to me, questioned fault aerospace parts that were being signed off as good by David and being sent to the customer. Think twice before taking a flight. He falsified test results, forces the inspectors to say parts are good when he and everyone else knows they are no
